Dear _____ and _____,

Here at the United Way of Lee County, we believe that change begins with ONE person. ONE person making the decision to be involved. ONE person to encourage a child to do better in school. ONE person to help find safety for the victim of abuse. ONE person to deliver a meal to someone who might not otherwise eat on a daily basis.

Each one of us have unique talents, resources, skills and viewpoints – that when combined in a united effort – will make a positive impact in the lives of individuals in Lee County.

My name is Rebecca Benton, and I am the Executive Director of United Way of Lee County. I personally wanted to reach out to you on behalf of United Way to let you know the about the incredible volunteer opportunities we offer.

Our volunteer opportunities span to encompass all interests and talents. So, no matter what peaks your interest, I am confident we can find a good fit for you to become involved.

We have organizations all around the community that are in need of your help! A few include, Boys and Girls Club of Greater Lee County, Child Advocacy Center of East Alabama, East Alabama Services for the Elderly, Lee County Literacy Coalition, Food Bank of East Alabama and many more organizations.

If you would like to volunteer, please contact United Way of Lee County, Inc. You can reach us at (334) 745-5540 or at www.unitedwayofleecounty.com.

All of us at United Way of Lee County and the people whose lives your volunteer work will be benefitting, we want to thank you in advance for your willingness to serve.

Sincerely,

Rebecca Benton
Executive Director
