Subject: It's Not Too Late To Help!

LIVE UNITED

IT IS NOT TOO LATE TO MAKE A DIFFERENCE! In the last few weeks, your workplace has been involved in raising over \$257,000 for United Way.

We are close to meeting our goal, but we still need your help to change the lives of those in our community!

Each donation helps provide members of our community with the necessary human services needed each day. Your donation will go toward food, shelter, diapers, childcare, transportation, dental supplies, books and many more basic necessities.

We're reaching out again to remind you that the deadline for our workplace campaign ends next week, and we want to give you another opportunity to donate!

Donating is so easy. For pledge donations that can be as low as \$1 a month, YOU can make a difference and provide for the basic care of our community members.

THERE ARE SEVERAL WAYS TO PLEDGE:

Thank you again for all that you do.
